All of our neons are supplied with a 12V United Kingdom Standard certified power adapter with 2m of clear cabling. The signs are joined by connector to an additional 1-2m of black cabling from the adapter. Small signs feature a transformer that directly plugs in. Large and Medium signs feature a powerpack that plugs in. Our neons are for Indoor use only. If you require an outdoor neon this can be arranged at extra cost. Our signs are handmade, some small marks may appear on the sign or acrylic backboard.
